

Terms of Reference for Audit Committee

Constitution and Membership

The Governing Body will be responsible for establishing a Committee of the Governing Body to be known as the Audit Committee.

The Committee and its Chair will be appointed by the Governing Body. A co-opted member of the Committee must not be appointed as its Chair since the Chair has to be able to attend, as of right, all meetings of the Governing Body.

Membership of the Audit Committee must not include the Chair of Governors, the Principal, students (including student governors) or any other member of the Governing Body with financial responsibilities for the College (i.e. be a member of the Finance & Estates Committee) in order to ensure independence and objectivity. Employees (excluding senior post-holders) are permitted to be members of the Committee.

There shall be not less than 3 members and no more than 6 members. A quorum shall be a minimum of 3 members. At least one member should have a background in finance, accounting or auditing, but membership should not be drawn exclusively from people with such a background. The Committee may, if it considers it necessary or desirable, co-opt members with particular expertise. The Principal may be invited to attend meetings where the Committee deems that this is appropriate.

Authority

The Committee is authorised by the Corporation:

- (a) to investigate any activity within its terms of reference;
- (b) to seek any information it required from any members of staff, who are directed to co-operate with any such request made by the Committee and provide any information about the College and its affairs as the Committee requires;
- (c) to receive the College management accounts and financial report to inform its other work; and
- (d) to obtain independent professional advice and to secure the attendance of non-members with relevant experience and expertise if it considers this necessary.

Proceedings

The Committee must meet at least three times per academic year. The Vice-Principal (Resources) (or equivalent) and the internal auditors should normally attend Audit Committee meetings, together with other staff invited to attend. The external auditor should normally attend any meetings where business relevant to them is being discussed. Once each year the Committee will meet with the institution's internal and external auditors without any College officers present.
