Polisi Coleg Penybont Bridgend College Policy

1. Pwrpas ac Amcanion/ Purpose and Objectives:

Bridgend College is fully committed to the wellbeing of students, staff, visitors and other stakeholders. The College actively promotes the positive welfare of all staff and students including vulnerable adults and those with additional learning needs (ALN) and expects all staff, volunteers and partners including associated employers and work placement providers to endorse and demonstrate this commitment at all times.

Bridgend College recognises its responsibility to develop students in ways which will foster security, confidence and independence, enabling students to be all that they can be. We recognise that a safe and secure College and work environment is central to the wellbeing of all students and the College's Citizenship code is central to enabling this, endorsing our three behaviour expectations:

- Be Ready
- Be Respectful
- Be Safe

These behaviour expectations support the organisational responsibilities we have under the Prevent Duty to actively promote five British Values:

1. Democracy
2. The rule of law
3. Individual Liberty
4. Mutual Respect
5. Tolerance

This Citizenship code, which incorporates our approach to student disciplinary, sets out our expectations of *all* students choosing to enrol at Bridgend College (full time, part time, higher education and community learning) or any of its associated subsidiaries or partner organisations.

Where academic misconduct of a higher education student is suspected, the relevant policy will be applied and upheld. Where disciplinary matters relate to a student enrolled on a pre-16 pathway (e.g. Junior Apprenticeships, Pupil Referral Unit and EOTAS) the relevant school or Local Authority policy may supersede this policy.

2. Manylion Polisi/ Policy Details:

This policy aims to ensure a proactive and positive approach to the Equality Act 2010 and the nine protected characteristics under the Act and our duties under other key legislation including 'All Wales Child Protection Procedures 2008', 'Adult Protection Procedures 2010', 'Keeping Learners Safe Guidance document number 158/2015' and 'Prevent Duty Guidance 2015'.

This policy applies on all College premises and to all College related activities, on or off site, such as College-arranged transport to and from College, visits, study tours and residentials (UK or overseas).

Polisi Coleg Penybont

Bridgend College Policy

This Policy recognises that where the student's attendance, performance or behaviour appears to be indicative of a mental health issue, additional learning need, illness or injury it may be more appropriate to follow procedures as stated in the College's Fitness to Study Procedure.

This policy encompasses our expectations relating to student attendance, behaviour and conduct.

3. Confidentiality

The duty of confidentiality is not absolute and may be breached where it is in the best interest of the student or in wider public interest. If professionals judge that disclosure is necessary to protect a student or others from serious risk of harm, confidentiality may be breached.

Staff must not disclose information relating to a student, their welfare or personal information without express authorisation to do so from the Designated Senior Person (DSP) or Designated Safeguarding and Wellbeing Manager. This stipulation includes where a member of staff may receive an information request from a parent, guardian or the police. The police are required to provide the college with a Personal Data Request Form completed by a Detective Inspector.

Data retention schedules and data policies relating to the General Data Protection Regulation (GDPR) are available on the College website and can be requested in writing to the College Data Protection Officer (DPO).

4. Radicalisation and Extremism

The college seeks to protect its students against the messages of violent extremism including, but not restricted to, those linked to Islamic ideology, far right and extremist animal rights movements.

Behaviours and actions which are deemed to be of an extremist or radical nature will be dealt with in line with the College's safeguarding policy, available on the College website.

5. Bullying and Harassment

Bullying is defined as the deliberate misuse of power or influence and can take many forms. Where the intention may not be to deliberately cause hurt, it can still be considered as bullying if the victim perceives it as so. Bullying includes physical actions, verbal, emotional, sexual, homophobic, racist, online, hate crime or on the grounds of religion.

6. Incidents Outside of College

Where incidents or events take place outside of the college (either off campus and/or not during college hours) which bring the colleges name or reputation into disrepute, we will take action in line with this policy.

Polisi Coleg Penybont

Bridgend College Policy

- 8.4.4 The student will be entitled to be accompanied by a peer, student representative, family member, or other appropriate person in the case of a vulnerable adult (but not by a legal or other professional advisor unless the College otherwise agrees). In addition, the interview can be adjourned in order that future action can be determined.
- 8.4.8 The Curriculum Manager will formulate an action plan which must contain constructive and positive targets in order to promote an active and achievable learning plan for the student. A copy of the action plan must be signed by both the student and Curriculum Manager and uploaded to MiHub.
- 8.4.9 Should the learner have met the required standards/targets and has shown improvement they can be removed from the disciplinary process.

Final outcomes and decisions will be communicated in writing within 7 working days (for appeals, please see paragraph 8.5.11).
- 8.5.6 In some cases it may be deemed appropriate by the Head of Curriculum to de-escalate or escalate according to the evidence and individual nature of each case. This will be documented on MiHub.

The Deputy Principal will consider the documentation presented by the Head of Curriculum, and the reasons for the recommendation.

Polisi Coleg Penybont

Bridgend College Policy

The Deputy Principal may decide not to uphold the Recommendation for Exclusion and that no further disciplinary action is necessary.

The Deputy Principal may recommend that other more appropriate sanctions should be applied.

The Deputy Principal may decide to uphold the Recommendation for Exclusion. The student will be informed of the decision within 10 days of the outcome letter recommending exclusion. The student has the right to appeal against the decision by writing, within 21 days of the date of the exclusion letter, to the Principal.

10 Exclusion

The period of exclusion, decided by the Deputy Principal, may be for up to 3 months or for a period of between 3 months and 5 years. Except in exceptional circumstances, no exclusion shall be longer than 5 years.

During any period of exclusion, no excluded student may return to College without prior approval from the Deputy Principal or who will arrange for relevant supervision.

Any student who is under a notice of exclusion may request the College to consider lifting the exclusion by writing to the Deputy Principal. The facts surrounding the original hearing will not be open to re-examination and the request will be dealt with through the College Admission Procedures and decided by the Principal

The Principal will consider the documentation and whether the procedures in the Student Disciplinary Policy have been followed.

The decision of the Principal is final and the student has no right of appeal.

12 Excluded students wishing to re-apply to Bridgend College

Previously excluded students wishing to return to the College must make an application to the Principal and Chief Executive. The Principal and Chief Executive's decision shall be final. Relevant records will be continually updated in cases of excluded students.

13 Suspension Pending Interview

- 13.1 A student may be suspended from the College immediately by a member of the college Senior Management Team, pending a disciplinary interview, where that member of staff has reason to believe that the student has committed an act of gross misconduct or gross negligence that may result in disruption to the delivery of the College's operational objectives.
- 13.2 Suspension due to an act of gross misconduct or gross negligence may lead to a Fourth Stage interview which could result in either, no further action, a recommendation for an alternative sanction or a recommendation for exclusion.
- 13.3 Suspension due to an act of gross misconduct or gross negligence will supersede any other disciplinary action a student may be involved in.
- 13.4 Any such suspension will be confirmed in writing by the independent Head of Curriculum (within 7 working days of its occurrence).
- 13.5 Suspension should not last more than 10 working days without the suspension being lifted or a date for an interview being set.
- 13.6 If suspension lasts more than 10 working days the student shall have the right to appeal against the suspension by writing to the Deputy Principal
- 13.7 Within 7 working days, the Deputy Principal will arrange for the appeal to be heard by a member of the college Senior Leadership Team (SLT) who has not previously been involved in the matter.
- 13.8 The student will be entitled to be accompanied to the appeal by a peer, student representative or family member, or other appropriate person in the case of a vulnerable adult, (but not by a legal or other professional adviser unless the College otherwise agrees).
- 13.9 The outcome of the appeal will be notified to the student as soon as possible and in any case within 5 working days. There is no further appeal against this decision.

14 Suspended Students

Due consideration will be given to suspended or excluded students who need to take external examinations or internal assessments as to whether to allow them to attend. In this instance, any suspended students will be accompanied by a member of support staff and will normally take the exam or assessment separately to other students.

15 Criminal Offences

Where any member of staff has reason to believe that a student may have committed a criminal offence, the College may refer the matter to the police and may continue disciplinary proceedings under this procedure or suspend the student pending the outcome of police enquiries and any charges which may be brought against the student. Where the student has been suspended under this provision, when the results of those enquiries and any criminal proceedings are known, the College reserves the right to recommence proceedings under this procedure in relation to the matter. A certificate of conviction from a court of competent jurisdiction will be conclusive proof of that conviction.

Any disciplinary action relating to alleged criminal offences will be based on the genuine belief of the member of staff taking the action after a thorough internal investigation and will not require a criminal conviction. It is emphasised that in relation to the application of this procedure the College is not bound by the results of any criminal proceedings against students.

Where the College has reason to believe that a student has made a successful application to the College and failed to disclose an unspent criminal conviction, it reserves the right to take disciplinary action, including withdrawal of a course offer where deemed appropriate for the safety and wellbeing of the individual, wider student population and College staff.

Where an incident occurs, either within or outside of College which involves in a Police charge, investigation and/or bail conditions being served, we will await the conclusion of any investigation or hearing before invoking (where applicable) this policy. Depending on the nature of a charge, the college reserves the right to suspend any learner until the Police case has concluded. Following the conclusion of any Police matter, our own disciplinary action will be decided upon.

Discussion Summary (including identification of how behaviours link to our expectations: Ready / Respectful / Safe)

Key Issues: You are not demonstrating that you are **ready** to learn as your attendance currently 89% and we are concerned about your lateness. You are not showing **respect** for others when you use inappropriate language.

We discussed Jasmine's reason for non-attendance, which has been due to personal circumstances and challenges within her home life. This has had an impact on Jasmine receiving EMA, which has meant she has struggled to get bus fare, meaning there have been mornings that she has walked to College, causing lateness to first session.

Jasmine is feeling overwhelmed with some of the work, which is being compounded by missing parts of lessons either through lateness or non-attendance. This is when Jasmine recognises that her language is unacceptable and inappropriate.
