## A Note from your Curriculum Manager

### Croeso - Welcome to Service to People and IT.

We are looking forward to you joining us in Bridgend College. Within the area of Services to People and IT, we have a wide range of courses across the areas of Hair and Beauty, Hospitality and Catering, Travel and Tourism, Business and IT.

Your experience in college is very important to us. We want you to become passionate about the subject you have chosen to study. We have knowledgeable teams supporting you, good links with industry who provide projects, guest speaking and work experience opportunities, trips and visits, competition and other cross-college opportunities.

We are excited for you to join us, to see you develop and to hear your success stories over the coming years. But, before we get started, here are some activities to get you thinking about your area of study.

See you soon,

Rachel Morris

## Useful Websites to Explore

Perming will be a new and exciting technical skill that you will complete in level 3 hairdressing. Take a look at these two youtube clips for a further insight to what you will learn and then have a go at the activities below.

## Research and Learning Activities

Throughout the perming unit you will learn how chemical changes affect the hair structure. Have a go at the quizzes below and see what you can recall from the youtube clips above. Don't worry if you don't understand some of the questions, we will be covering all knowledge by different methods of learning during theory sessions.
